FAT & FABULOUS

This is not my ideal
Those hips don't set the score
Cause sticks & bones ain't what I'm striving for!
Flipping thru your WHAT A BORE
Ladies please Ladies, LETS EAT MORE
I've got booty in the back & a lot up front LUNCH!!!
My secret is... I EAT RIOT
Now I'm in control & ready to DIET
Against your demands that I need to
I'm gonna take up space & LOVE my size
Cuz FAT & FABULOUS is on the rise
HEY FAT & FABULOUS is on the rise
